

# Baraha Chhetra Tour

## Trip Overview

The Baraha Chhetra Tour is one of the most important pilgrimage sites in Nepal. The temple is located in Barahakshetra municipality, in the Sunsari district of Nepal. The eastern part of Nepal is more famous for many pilgrimage sites such as Pathivara and Haleshi Mahadev, as well as for the great natural sights. The enthralling blend of Hinduism and Buddhism in Nepal has been able to draw a large number of tourists from across the world.

The temple is dedicated to Lord Vishnu. According to Hindu mythology, it is believed that Lord Vishnu saved the earth from drowning with his long tusk by taking the incarnation of Varaha (an avatar of God Vishnu to change into a boar). Therefore, with faith and belief among the Hindu devotees, every year thousands of pilgrims from Nepal as well as India take a holy journey to this temple. The temple is built in pagoda style. There is a big statue of Baraha, the incarnation of Lord Vishnu. The temple is sacred and is a very important pilgrimage site for Hindu devotees.

Baraha Temple is on the bank of the Sapta Koshi River and is beautiful, as it has been blessed by God and nature. The flowing river and the green forest surrounding the place make the journey even more beautiful and peaceful. Join Highland Eco Trek on the holy journey to Baraha Chhetra Temple and be completely mesmerized by the culture and customs of Nepal.
