

# Namobudhha Day Tour

## Trip Overview

The Namobudhha Day Tour is an exceptional way to explore the Buddhist monastery of Nepal and an awesome way to encounter the culture and tradition. Namobudhha historical Buddhist temple lies in Dhulikhel, just 32km away from the capital city of Kathmandu. The main attractions of the Namobudhha day tour are the Namobudhha stupa, temples, village, and magnificent mountain views. The tour starts from your hotel after one of our representatives comes to get you and drives toward Dhulikhel.

Namobudhha is a sanctified Buddhist place. It is said that Prince Mahasattva saved the life of a dying hungry tiger and its cubs by giving his flesh. Namobudhha Stupa is famous among domestic visitors as well. If you are a cultural enthusiast, you will fall in love with the culture and tradition of this place. Besides that, there are the valuable fine arts, handicrafts, wood carving, and the town itself. It is a very lovely place to explore the cultural blend of Hinduism and Buddhism. Numerous holy temples, like Narayan Temple, Harisiddhi Temple, Gaukhureshowr Temple, and Bhagwati Temple, are situated in Namobudhha, making it a holy and absolutely beautiful place to visit among Hindu devotees.

Exploring the temples and stupas is one of the main highlights; however, the Namobudhha day tour does not end with that. Another highlight of this tour is hiking through the charming town, terraced farmlands, and lush hills. The Namobudhha Day Tour is organized for those who have a short amount of time but want to utilize that time by traveling around the city. Highland Eco Trek customizes this day tour as per your available time in Nepal.
