

Home Stay in Nepal

Trip Overview

The geography of Nepal consists of high mountains, hillsides, and plain tropical land. Nepal has a variety of flavors to travel around the homestay tours. Homestay Tour in Nepal is one of the generally popular kinds of Bed & Breakfast. Guests are invited to a private house to live with family members. Our homestay tour in Nepalese villages is one of the best ways to scrutinize and experience Nepalese traditions, customs, and lifestyles. In the homestay tour, you will live in customary Nepalese houses where you will interact with people, immerse in their culture, learn the local language, participate in the agricultural lifestyle, and observe the local religious practices. Their food is made by the local family Ethnic, organic and geared up in traditional style. Living with local people is the most excellent way to gain information about Nepali culture in an ethic and Eco-responsibility.

These homestays are situated in both remote villages of Nepal, as well as more popular trekking routes. We, Nepalese people, welcome our guest as a god in our villages, and houses. There are a lot of different Homestay Tour in Nepal, such as in big cities, typical villages, and in a remote part of Nepal. In big cities, you will able to stay in nice well-furnished houses but in villages, we can't expect western facilities. Especially in Kathmandu, Bhaktapur, and Patan home stays are good to learn about Local Newari people cultures, food, and lifestyle. To learn and know typical Nepal it's better to visit in villages where lifestyle, dresses, living standard, cultures, are still unchanged. These days Nepal offers lots of homestay tour packages like Ghale Gaun, Ghandruk, Sirubari, Bhujung, Bandipur, Gorkha, Dhading, Nagarkot, Kailali, Chitwan, Balthali etc. Friendly and hearty behavior of the family members gives out a different experience that you have never enjoyed before.
